# CONSULTING

## INTERNATIONAL BUSINESS DEVELOPMENT

Cooperation partners provide access to customers, funding and service providers. We are happy to support you in opening up new markets.

## EQUITY FINANCING

We support the preparation of your data and key figures for banks and alternative financing, research possible programs and moderate this process.

## MERGERS AND ACQUISITIONS

We are happy to support with our special knowledge in outsourcing parts of your company or a whole merger.

## ADDED VALUE

Top athletes have coaches, top managers have business coaches. IFP now also offers this to you. We will be pleased to accompany you in your strategies and decision process.

## THE EMPLOYEE AS A COMPANY VALUE

We would be glad to work out concepts for professional cohesion, demographic management, company social services and personality development.

## BASIC CONSULTING INCLUSIVE

Often enough one consultation day per month overcomes current challenges sustainable or accompanies long-term processes. In our „plus“ and „pro“ programs this day is already included.

## SPECIAL PROJECTS

The Federal Office for Economics and Export Control (BAFA) supports the promotion of entrepreneurial know-how for companies in Germany through business consultations. In this context, our services are also eligible. We would be glad to assist you with your application for delimitable and eligible special projects.
